

# SPONSORSHIP

of the 10th REHVA Brussels Summit

The **REHVA Brussels Summit** is a yearly European event organized by REHVA in the realm of sustainable building practices, renowned for bringing together industry experts, policymakers, and professionals on a global platform.

## DAY 1: REHVA STANDING COMMITTEE MEETINGS

The first day of the Summit is dedicated to REHVA's internal activities, featuring the REHVA standing committee meetings. As a sponsor, you have access to these pivotal meetings, where you can actively engage in essential decision-making processes that shape the future of the Federation and the industry.

### REHVA RECEPTION AND DINNER

The first day ends with the traditional REHVA Reception and Dinner; an exclusive networking event that offers the perfect setting to build connections with like-minded individuals. As a sponsor, **your brand will be prominently showcased** during this gathering, enhancing your visibility among key industry players and decision-makers. You can also decide to give a short presentation of your company and your achievement in the field of HVAC and sustainable buildings.

## DAY 2: POLICY CONFERENCE

*The second day is dedicated to the Policy Conference, a full-day conference led by esteemed experts, thought leaders, and industry pioneers. As a sponsor, your company will enjoy prominent recognition throughout the conference (see more below). This year, the conference will focus on **“REHVA pathway to climate neutrality”**.*

Through engaging presentations, and panel discussions, attendees will delve into strategies aimed at achieving climate neutrality within the built environment. Key topics to be addressed will include **the integration of renewable energy sources, advancements in energy-efficient technologies, and the implementation of innovative design approaches**. Participants will explore practical solutions and best practices to mitigate carbon emissions while enhancing indoor environmental quality and occupant comfort.

**The event will serve as a platform for knowledge exchange, collaboration, and collective action towards realizing a sustainable and climate-neutral future.**

Participating in the Brussels Summit not only showcases **your company's commitment to environmental sustainability** but also positions it as a **key player dedicated to fostering a greener and healthier future**. By engaging with like-minded individuals and organizations at this summit, your company has the opportunity to amplify its impact and contribute to meaningful discussions and initiatives aimed at addressing pressing environmental challenges.
